To Whom It May Concern at the FCC:

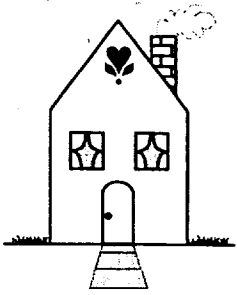

I am writing this letter in support of Packer Continuous Country moving its broadcasting frequency from Kaukauna, Wisconsin to Denmark, Wisconsin. I believe having a radio station broadcasting from the Village of Denmark would greatly enhance the support and involvement of local events and activities. I also believe the move would benefit local businesses.

Sincerely,

March 18, 1999

To Whom It May Concern:

This is written as a letter of support for the proposed move of the **WPCK** radio station to the Village of Denmark. It is my opinion that such a move would be of tremendous benefit to the Village of Denmark, the Denmark area and the School District of Denmark.

This area has experienced slow but steady growth recently and has the potential to develop much more quickly. Having a radio station in the area would increase the chances of this happening very significantly. A radio station based here would be of great help to us in publicizing school activities and informing our public of news regarding what is happening in our educational system. With this in mind, I am asking that the request for this move be approved. Thank you for your consideration.

Sincerely,

LeRoy Meles
Principal

ENJOY DENMARK, WISCONSIN

The country village of Denmark, named after its European counterpart, was founded circa 1850. For a few years during the 1900's, Denmark was known by its European capital, Copenhagen. Denmark is famous for its pastry; the Kringle, a crispy favorite, Æbleskiver and the Danish sausage known as Frikadeller. You can sample these treats at our local cafe or during our 'Danish Fall Festival'.

Transport yourself back in time as you experience the rich heritage of Denmark's early years. Visit the Denmark Historical Museum where antique collections of artifacts donated by local residents and ancestors of Denmark's forefathers makes this museum something very special indeed!

Downtown Denmark features assorted home-style restaurants and pubs to quench your thirst and satisfy your appetite. Enjoy a quick snack, lovely lunch or a home-style dinner at your leisure. Grocery, gas, and mini-marts are also nearby.

Craft, quilting, gift and flower shops decorate the old-time streets, adding to their charm. Filled with Danish and locally made crafts, you'll be sure to have a memorable experience in Denmark.

Perhaps a family picnic at scenic Memorial Park in downtown Denmark will make your day. The lighted baseball diamonds, volleyball & tennis courts as well as the children's playground provide a great atmosphere for family fun. A shelter house is available for summer picnics.

Relax the day away at beautiful Neshota Park, or take a trip to Maribel Caves County Park and explore the intricate caves. Good fishing lakes, challenging golf courses, historical sites and several campgrounds are all conveniently located within 30 minutes of Denmark.

Situated near Lake Michigan, the Bay of Green Bay and the well known Door County Peninsula, Denmark's location is ideal. The Green Bay area has many theaters and shopping centers; recreational, educational, and cultural activities; and professional and collegiate sports to enjoy.
